

# If a suspected Covid case the worker should:

- Stay at home (Smart working/telework)
- Send mail to [hr.smartworking@fbk.eu](mailto:hr.smartworking@fbk.eu) and [sanitaria@fbk.eu](mailto:sanitaria@fbk.eu)

Notify their Primary Care Physician (PCP)

Does PCP  
prescribe  
testing?

Yes

No

Wait for results  
test\* in  
[SW/telework](#) or [sick leave](#)

Not a  
suspected  
Covid case

Positive?

No

Go back to FBK and write  
to [hr.smartworking@fbk.eu](mailto:hr.smartworking@fbk.eu)  
and [sanitaria@fbk.eu](mailto:sanitaria@fbk.eu)

Yes

Follow directions of  
[Trento Province  
Healthcare System](#)

(\*). If taking the swab test takes too long, the worker may take a rapid swab test. If the test comes back negative, the worker may resume on-site work.

As set forth in the Guidelines, in the event of the worker or a member of their household being a suspected Covid case, the worker is exempted from the % required on-site work.

# In the event of the worker's household member being a suspected Covid case, the worker should:

- Stay at home (Smart working/telework)
- Send mail to [hr.smartworking@fbk.eu](mailto:hr.smartworking@fbk.eu) and [sanitaria@fbk.eu](mailto:sanitaria@fbk.eu)

Notify their Primary Care Physician (PCP)

Does PCP/pediatrici an prescribe testing?

Yes

No

Wait for results on SW/telework

Not a suspected Covid case

Positive?

No
